

ALDERNEY ELECTRICITY LIMITED

Scale of Domestic Electricity Tariffs – 1st January 2018

Scale A

Flat Rate

30.99 p per unit

Minimum charges applicable to Scale A:-

£7.75

Every consumer is required to pay, as a minimum in respect of each separate service, a minimum quarterly charge (equivalent to 25 units)¹ in addition to meter rent.

Scale B (1)

Water Heating Flat Rate

10.20p per unit

Terms and Conditions of Supply applicable to Scale B

(1) All Water Heating Apparatus intended for use under this Tariff must be of the storage type and approved by the Company and must be permanently wired on a separate circuit.

(2) Electricity used under this scale will be metered separately for which the standard meter rentals will apply.

Scale B (11)

Storage Heating (Off Peak Tariff) Flat Rate

10.20p per unit

Under this Tariff supplies of electricity are restricted to "Off Peak" hours, namely 11pm to 7am with mid-day boost from 12.30pm to 3.30pm (one hour later during British Summer Time).

Every consumer is required to pay, as a minimum in respect of each separate service, a minimum quarterly charge in addition to meter rent.

Scale C1

Slot Meters are available for normal domestic use required under Tariff Scale B (1)

38.00p per unit Supplies

28.00p per unit

Fuel Cost Component

The above unit charges are subject to an additional Fuel Cost Component which is dependant upon the wholesale price of Diesel Oil. Details of the current amount can be obtained from the Company Office at Maison des Venelles, Venelles des Gaudions, Alderney.

¹ Section 31 The Alderney Electricity Concession Law 1953 as amended by the Alderney Concession (Amendment) Alderney) Law 1978

Security Deposits

Please note from 2017 all customers will be required to set up a standing order at a level sufficient to cover future bills, and a security deposit is also required.

Deposits will be charged at the rate of £500 per private dwelling for tenants and owners of property, whether furnished or unfurnished. Commercial premises will be charged at the rate of £1500.

Reconnection Charge

A charge of £100 will be made for the reconnection of premises disconnected for non-payment of accounts.
